نحو اقتصاد مزدهر
TOWARDS A PROSPEROUS ECONOMY

Warm greetings from the Costa Rican Foreign Trade and Investment Promotion Agency (PROCOMER).

After 26 years of the Buyers Trade Mission (BTM), the largest business event in the region, we have evolved into the **Costa Rica Trade and Investment Summit**. This event brings together buyers, foreign investors, exporters, multinational companies, and suppliers in one place.

We aim to take business to new horizons, demonstrating that Costa Rica has evolved to generate exports and investments that drive sustainability, competitiveness, and well-being for people across all regions of the country.

During a week of business meetings, potential buyers and investors from around the world will visit Costa Rica, a country recognized as a natural choice for foreign direct investment and home to an exportable offer that has shaped more sustainable, diverse, and specialized businesses capable of expanding beyond our borders to meet global market demands.

The **Costa Rica Trade & Investment Summit** is the most important business event in Central America and the Caribbean. This year, it will gather over **400 foreign investors and international buyers from 45 countries**, along with more than **1,000 exporters, multinational companies, and local suppliers** in one place. Attending countries include the **United States, Mexico, Spain, the United Kingdom, Japan, South Korea, among others**.

From **September 1 to 5**, participating companies will hold **one-on-one meetings** to close deals in various export sectors such as **Agriculture, Food, Services, and Specialized Industries**, as well as in **foreign direct investment** sectors including **Agribusiness, Advanced and Light Manufacturing, Semiconductors, Corporate Services, and Tourism Infrastructure**. This edition is expected to facilitate approximately **3,200 business meetings**.

The event will also feature **physical showcase area at the venue**, where international buyers will have the opportunity to learn more about Costa Rica's offerings, connect with entrepreneurs, and even schedule additional meetings to enhance their business agendas.

INAUGURAL CEREMONY

The first edition of the **Costa Rica Trade & Investment Summit** will officially kick off with an **inaugural ceremony on Wednesday, September 3, at 10:00 AM**, at the **Costa Rica Convention Center**. This event will feature the presence of the **President of Costa Rica, Mr. Rodrigo Chaves**, who will welcome hundreds of international participants eager to learn more about the country and its productive sectors.

At **PROCOMER**, we will continue to promote our country's mission of fostering exports and investments that generate **well-being for the population and economic growth for Costa Rica**.
